Marc Metzger

Partner
Attorney-at-Law, LL.M. University of London

Marc Metzger has more than twenty five years of experience in advising listed and privately-held companies in the areas of commercial and corporate law, general contract law, law governing contracts for work and labour, law applicable to contracts for the supply of materials and services, and distribution agreement law. His other areas of practice include public procurement law, real estate law, health care law and sports law. He advises clients in relation to domestic and international transactions. Marc Metzger is the Head of valfor's Commercial and Contracts Practice Group. He is recognized by the admission board of the SIX Swiss Exchange as an expert and knowledgeable representative of issues. Apart from his engagement as a Partner at valfor, Marc Metzger acts as Member of the Board of Directors with various companies.
